

Philosophy of Education

Community Christian School believes in the following scriptures and principles:

SPIRITUAL SALVATION, GROWTH, AND DEVELOPMENT – Humanity’s only hope of salvation is through the sacrifice of Jesus Christ at Calvary (Romans 3:23, 6:23, 5:8, and 5:1; Ephesians 2:8,9). A study of the character of God leads the student to an understanding of his purpose for life and resulting responsibilities which are his as a Biblically-centered Christian (Ephesians 4:12).

SHARED HOME/SCHOOL/ RESPONSIBILITY – The parents have prime responsibility for their child’s education. Therefore, a close home/school relationship is vital. Open channels of communication are extremely important for the total well-being of the student. (See Parent/Student Handbook for additional information.)

ACADEMIC DEVELOPEMENT – Proverbs 2:1-7 is our basis for instruction. We are to stress: 1) wisdom, 2) understanding, and 3) knowledge in the order God as designed. Attention to the fundamental subjects is presented through a Christ-centered academic curriculum. Cultural appreciation and patriotism are integral parts of the academic program. Bible is taught every day.

SOCIAL DEVELOPEMENT – Social development is a highly significant aspect of education. Relationships are the foundation for effective Christian modeling, and, as such, are exemplified by Christian teachers. Christ-centered values are taught as the reference point for personal decision-making.

PHYSICAL DEVELOPEMENT – Proper body care and development are emphasized in I Corinthians 3:16, 6:19-20. Each student is led to an appreciation of the value of his/her body and its care as a “temple holy unto God.”
